Date: 05/20/03

|                             |                                       |
|-----------------------------|---------------------------------------|
| Ref. P.7308EPp/Eh/Pa        | Appl. No./Patent No. 03405070.8-2305- |
| Applicant: Sulzer Pumpen AG |                                       |

**COMMUNICATION**

The European Patent Office transmits herewith the European Search Report for the above referenced European patent application.

If applicable, copies of the documents cited in the search are enclosed.

☐ Additional copy(ies) of the documents cited in the European Search Report are enclosed.

The Search Division approved the following items, as submitted by the applicant:

☒ Abstract ☒ Title

☐ The Abstract was modified by the Search Division and the definitive text is attached to the present communication.

The following figure will be published with the Abstract: 2

**REFUND OF SEARCH FEE**

If applicable under Article 10 of the Rules relating to fees, a separate communication from the Receiving Section on the refund of the search fee will be sent to you later.

European  
Patent Office

**PARTIAL EUROPEAN SEARCH REPORT**  
Effective as European Search Report for purposes of further  
prosecution per Rule 45 of the EPC

Application No.  
EP 03 40 5070
